Welcome to Marseille, Welcome to France,

Oldest city in France, founded more than 2600 years ago, Marseille has become in the past few years an ultra-modern, fashionable city. European Culture Capital in 2013 and European Sport Capital in 2017, France's second biggest city is now considered as an essential touristic destination.

But Marseille has still kept all its charm and authenticity: it has 57 kilometres of coastline and one of the most beautiful harbours in the world. Its attractiveness is based on 300 days of sunshine a year, Mediterranean gastronomy, a fine historic heritage, a modern city centre and the sociability of its inhabitants!
